MAKE BEAUTY YOUR BUSINESS

Let's TALK

JANUARY 2023

INTRODUCING

NEW

LITTLE BLACK DRESS LACE

MY SCENT. MY STYLE.

JANUARY 2023 BROCHURE

PUT YOUR WELL-BEING FIRST WITH AVON'S INSPIRING PRODUCTS. YOU DESERVE IT.

Thank you for the opportunity to welcome you to 2023. I wish you a prosperous new year.

Our road to achieving our New Year's resolutions starts now & it is my hope that you will also begin putting in the effort to grow your business early in the new year to earn better & achieve your business goals. In doing so, you will significantly improve your life & the lives of those close to you. Don't wait until tomorrow to take action; take action today.

I urge you to take advantage of our Avon Rewards programme: this is how we motivate you to grow your business & reward you for continuing to do what you love.

We commit to continuously provide you with training & communication as we launch new products & key initiatives throughout the year, such as the new **Rewards Discount Structure**; our revitalised **Connect** platform, which has been customised to fit the needs & tools of each level; & the **branding solutions** platform made possible by our partnership with Jetline through which you can order branding materials like **pull-up banners & gazebos**.

Look out for training & communication about our retail offering to high-end customers, which will be another opportunity to engage with our aspirational products at irresistible value. This will be achieved through our **retail channel pilot**.

Let's work together to achieve success on our terms & **do beauty our way!** Our brand is ever-evolving, striving to improve & stay a step ahead. We have an enduring purpose that spans our **136-year** history, which you can be proud of & take with you into your prospecting efforts. Real success is achieved when you work hard for it, from the first day of the year to the last.

Digital knowledge is key to your success. We made progress in the past year, & I'm confident that most of our goals will be achieved by the end of this first quarter.

Now, more than ever, it's time to accelerate your social media presence. Our brochure has been an iconic marketing tool for decades, but today selling involves more than just dropping off a paper brochure. Usage of the **Avon ON app** is growing; continue to share your **digital brochure & My Avon Store link** with customers on your social media platforms. This shift to digital means that the opportunity is completely flexible, so you can earn & learn on your own terms.

Thank you for continuing to show faith in Avon & for choosing to include us in your journey.

In this new year, on behalf of Avon, I wish you health, happiness, faith & resilience!

Yours,

mikey
