AVON
END VIOLENCE
AGAINST WOMEN

For over **135 years**, Avon has been making a **better world** for women. But Covid-19 changed everything – **impacting** women in particular.

So, we **stood up** & we **spoke out**.

AVON
BREAST CANCER
PROMISE

Globally, we donated R130 million to causes impacting women, including our breast cancer & gender-based violence initiatives.

We funded 27 608 free breast cancer screenings and we helped 277 867 people through NGO funding to help end violence against women.

AVON
FOUNDATION
FOR WOMEN

And we could not have done any of this without **YOU**.

Thank you for your support, your passion & your spirit.
Because a better world for women is a better world for all.

#WatchMeNow

Proceeds raised go towards breast cancer awareness and education in South Africa as well as the support of our front-line service partners to help end violence against women.
