A close-up photograph of a woman with a joyful expression, her eyes closed and a wide smile, holding a small, fluffy brown and white rabbit. The woman is wearing a dark green top. The background is softly blurred, showing what appears to be a window with light filtering through. The overall mood is warm and affectionate.

EARLY DETECTION
SAVES LIVES

supporting breasts, saving lives

At Avon, we believe in a better world for women, which is a better world for all.

4 February is WORLD CANCER DAY, & supporting breast cancer awareness is a cause close to our hearts.

We encourage you to do a self-examination at home - because early detection saves lives

We have been fighting breast cancer for decades. So far, we have donated over R24 million to our charity partners in South Africa.

But there's still more to be done. That's why we're not just waiting for change to happen, we're creating it.

Help us to make a difference - buy a pin & save a life!
